to vote on the Healthcare Personnel Guideline Cytomegalovirus (CMV) Recommendations and Viral Hemorrhagic Fever: Appendix A Update.

¶ Denotes sessions for which a vote is anticipated.

\*Workgroups may present draft versions of proposed changes to the HICPAC committee for vote. Members weigh public discussion and the presented data. If the membership votes to approve the draft, it will then be submitted to CDC for review. If approved by CDC, the draft will be posted to the Federal Register for 60 days for public comment; if not approved by CDC, the draft will be returned to HICPAC with comments for consideration. Click [here](#) for more information on the HICPAC guideline development process.
