

## Erratum

---

### Vol. 68, No. 32

In the report “Healthy Contact Lens Behaviors Communicated by Eye Care Providers and Recalled by Patients — United States, 2018,” on page 695, the first sentence of the third paragraph should have read “The majority of contact lens-wearing patients surveyed reported wearing soft contact lenses (85.8%). **In addition, the majority of patients surveyed** were non-Hispanic (85.2%), white (77.7%), and female (59.2%) (Table 1).”
