- Quantity zero.

(1) Includes Aleuts and Eskimos.

(2) Data not shown for non-Hispanic births of other races and births with origin not stated.

NOTES: Race and Hispanic origin are reported separately on birth certificates. Race categories are consistent with the 1977 Office of Management and Budget standards. California, Hawaii, Ohio (for December), Pennsylvania, Utah, and Washington reported multiple-race data in 2003. The multiple-race data for these States were bridged to the single-race categories of the 1977 Office of Management and Budget standards for comparability with other States; see Technical Appendix. In this table all women (including Hispanic women) are classified only according to their race; see Technical Appendix.
